Needs list

We need baskets from old flower arrangements, we can recycle them for Christmas decorations. We are always grateful for any garden plants, shrubs, perennials that you no longer want. We can split them and grow them on for the nursery sales. Also if you are pruning an interesting shrub we'd love a small quantity to propagate from. We need as many carrier bags as we can gather before the carrier bag tax comes begins in October. We are collecting plant pots particularly these sizes 3.5" 5" 2L pots and 6 packs. All pots can be put into the crates by the nursery gates. We are always looking for garden tools, woodworking and engineering tools and equipment. Small items can be put in the crate over the fence at the nursery if we are closed. Or contact us on email or phone. Now we are owners of a van we can collect large items.

Jobs

Now we have the spring rush over we are looking to tidy up the nursery so if any members can help we would appreciate this. There are numerous repair and maintenance jobs onsite, and we need members

with DIY skills to take them on. Please do contact us.

Twitter

If you have an account look for us and add us @pcrnpublicity. We use it to announce our open days and other events. From a small start, we now have over 100 followers. Do follow us and retweet our messages if you can.

Heritage open day with the red carpet

Just to highlight our hoped for red carpet event. We have had the carpet out on a dry day the first time for many years. We were surprised how good a condition it was in, and how much of it we had, see the photo.

Following on from this if the weather is ok well will have it on display at the Heritage weekend on the 12th of September, when we hope, to put some of the carpet out with flowers and rope barriers. So put the date in your diary if you would like to follow in Royal footsteps and walk the carpet and have your photo taken. Hopefully we can get some good publicity for this.
