March more details to  
follow.

This will be our early spring  
Open Day, where you can

pick up your shrubs and  
perennials for the new  
season.

#### Needs list

We need baskets from old flower arrangements, we can recycle them for Christmas decorations. We are always grateful for any garden plants, shrubs, perennials that you no longer want. We can split them and grow them on for the nursery sales. Also if you are pruning an interesting shrub we'd love a small quantity to propagate from. We need as many carrier bags as we can gather before the carrier bag tax comes begins in October. We are collecting plant pots particularly these sizes 3.5" 5" 2L pots and 6 packs. All pots can be put into the crates by the nursery gates. We are always looking for garden tools, woodworking and engineering tools and equipment. Small items can be put in the crate over the fence at the nursery if we are closed. Or contact us on email or phone. Now we are owners of a van we can collect large items.

#### Jobs

There are lots of tidying jobs at the nursery and we begin to get ready for spring any extra help would appreciated. There

are numerous repair and maintenance jobs onsite, and we need members with DIY skills to take them on. Please do contact us.

#### Recipe Book

Students from York University help the nursery to develop a recipe book which compares wartime and present day recipes celebrating the fact that the nursery was a product of wartime Britain, they are on sale at a cost of £2.50 each or £3.25 posted (cheques to Poppleton Railway Nursery at the address on the front of the news letter
